

## **FTR Gold Playback Player (External)**

### **Installing Player on Computer**

- Double-click FTRPlayerPlusv2.exe from the CD.
- Install the Player on your computer following the instructions given.

### **Using The Player**

- Double-click FTR Gold Player Plus Icon on Desktop.
- Click on yellow folder button. 
- Locate and click on CD drive.
- On the right-hand side, click on Judge's name.

- On the right side, double-click the date folder.
- Enter the time of the hearing on the clock, or slide the diamond to the time you desire.
- Click the Play button. 
- Lower or raise the volume of each mic by using the (4 small) slide rules on the right-hand side.
- Click the Stop button. 
- When done, click the X in the upper right-hand corner.
